EXPUNERE DE MOTIVE

la proiectul de hotărâre privind alocarea unei sume Liceului Teoretic „Ovidius” în vederea participării la Conferința Internațională pentru Dezvoltarea Spațiului

Prin adresa nr. 9482/16.05.2013 conducerea Liceului Teoretic „Ovidius” solicită sprijin financiar pentru un număr de 6 (șase) elevi în vederea participării acestora la o conferință internațională organizată de NASA. Elevii au fost premiați de către NASA ca urmare a participării acestora la Proiectul „Kalestic”.

Conferința Internațională pentru Dezvoltarea Spațiului (ISDC) va avea loc la San Diego, California, SUA între 23-27 mai 2013.

Având în vedere faptul că această invitație presupune costuri mari în comparație cu veniturile părinților care nu-i pot sprijini, propunem susținerea acestor elevi prin acordarea sumei de 9500 lei.

În considerarea celor menționate, supun spre dezbateră și aprobare prezentul proiect de hotărâre privind alocarea unei sume Liceului Teoretic „Ovidius” în vederea participării la Conferința Internațională pentru Dezvoltarea Spațiului.

PREȘEDINTE,

Constantinescu Nicușor Danie.

CONSILIUL JUDEȚEAN CONSTANȚA

DIRECTIA GENERALA ECONOMICO-FINANCIARĂ

R A P O R T

la proiectul de hotărâre privind alocarea unei sume Liceului Teoretic „Ovidius” în vederea participării la Conferința Internațională pentru Dezvoltarea Spațiului

În conformitate cu prevederile Legii bugetului de stat pe anul 2013 nr. 5/2013, ale legii nr. 273/2006 privind finanțele publice locale, Anexa nr. 2, pct. 7, lit. c) și ale dispozițiilor art. 91 alin.(1) lit.b, alin. 3 lit. a), precum și ale art. 97 din Legea nr.215/2001 privind administrația publică locală, republicată, Consiliul Județean aproba, la propunerea președintelui, bugetul propriu al județului, virările de credite, modul de utilizare a rezervei bugetare și contul de încheiere a exercitiului bugetar.

Prin adresa nr. 9482/16.05.2013 conducerea Liceului Teoretic „Ovidius” solicită sprijin financiar pentru un număr de 6(sase) elevi în vederea participării acestora la o conferință internațională organizată de NASA.

Față de cele menționate, considerăm că proiectul de hotărâre privind alocarea unei sume Liceului Teoretic „Ovidius” în vederea participării la Conferința Internațională pentru Dezvoltarea Spațiului se încadrează în prevederile legale în vigoare, motiv pentru care propunem adoptarea acestuia în forma prezentă.

CONSILIUL JUDEȚEAN CONSTANȚA
în atenția domnului PREȘEDINTE

Primăria comunei Tîrguşor, județul Constanța, reprezentată de domnul Dragu Dumitru, în calitate de primar al comunei, cu deosebit respect doresc să vin în sprijinul unui grup format din 6 (șase) elevi ai Liceului Teoretic „Ovidius” Constanța care au obținut invitații la conferința NSS/NASA care v-a avea loc în perioada 23 mai- 27 mai 2013 în orașul San Diego, California, urmare proiectului „Kalestic” coordonat de doamna Director a liceului, Anghel Cristina, la care au obținut mențiuni. Din această echipă face parte și un elev din localitatea Tîrguşor, ceea ce ne face să ne mândrim de rezultatele acestuia.

Având în vedere faptul că această invitație presupune costuri destul de mari în comparație cu veniturile părinților care nu-i pot sprijini, nici din bugetul local, care în acest an este destul de mic, nu se pot aloca în acest moment sume, venim cu rugămintea către dumneavoastră, de a-i putea sprijini financiar pentru a putea deschide calea spre viitor acestor minunați elevi, care pot fi o mândrie a județului și de ce nu a țării.

În speranța că ne veți înțelege, dorim să vă mulțumim anticipat.

Cu respect și considerație,

PRIMAR

Dear Simion Ioana:

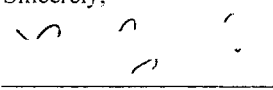

As a qualifying participant in this year's NSS/NASA Ames Space Settlement Design Competition, the National Space Society (NSS) is pleased to invite you along with teachers, administrators, and parents to attend the **2013 International Space Development Conference (ISDC)**. This year's ISDC will be held at the **Hyatt Regency La Jolla** at Aventine. The address is **3777 La Jolla Village Drive, San Diego, California, 92122 USA**. The ISDC will be held from **Thursday, May 23 to Monday, May 27, 2013**. More details and registration information for the conference are located at the 2013 ISDC website found at <http://isdc.nss.org/2013/>.

Your successful submission status entitles you to present a **formal poster** at the ISDC **Space Settlement Student Design Contest Poster Session**. The Poster Presentation should highlight the space settlement project based on the materials submitted to the annual NASA Ames Space Settlement Design Contest (<http://www.nss.org/settlement/nasa/Contest/>), and it will need to be in a "poster-style" display format. Poster dimensions and other details can be found at the Student ISDC website (see below). Models, booklets, and brochures may also be displayed. Students will be asked to spend 1-2 hours at their poster to present details of their project to visitors outside of the planned presentation time.

In addition to the **Poster Session**, you are invited to attend the student awards event to receive an **ISDC 2013 recognition certificate**. You are also invited to attend the **Grand Prize winner's awards dinner**, where they will receive their award. Details will be posted on the ISDC 2013 Student Website. All teams are invited to attend the **Formal Oral Presentation Sessions** throughout the conference. If your team is one of the highest-ranking winners attending the ISDC, you will be asked to present your project during these Formal Oral Presentations to an audience of scientists, businessmen, students, teachers, and other ISDC attendees. Finally, you may look forward to the **International Student Forum**, various conference lectures, panels, and activities as posted on the 2013 ISDC website. Students not accompanied by their parents will need to provide permission and medical forms to NSS headquarters. See Student ISDC website (see below) for details.

The NSS is looking forward to seeing you in San Diego, California. Please direct all ISDC related questions to nss-students@nss.org. For announcements and updates please visit the student website at <https://sites.google.com/site/isdcforstudentcompetitions/>.

Dear Badea Adriana:

As a qualifying participant in this year's NSS/NASA Ames Space Settlement Design Competition, the National Space Society (NSS) is pleased to invite you along with teachers, administrators, and parents to attend the **2013 International Space Development Conference (ISDC)**. This year's ISDC will be held at the **Hyatt Regency La Jolla at Aventine**. The address is **3777 La Jolla Village Drive, San Diego, California, 92122 USA**. The ISDC will be held from **Thursday, May 23 to Monday, May 27, 2013**. More details and registration information for the conference are located at the 2013 ISDC website found at <http://isdc.nss.org/2013/>.

Your successful submission status entitles you to present a **formal poster** at the ISDC **Space Settlement Student Design Contest Poster Session**. The Poster Presentation should highlight the space settlement project based on the materials submitted to the annual NASA Ames Space Settlement Design Contest (<http://www.nss.org/settlement/nasa/Contest/>), and it will need to be in a "poster-style" display format. Poster dimensions and other details can be found at the Student ISDC website (see below). Models, booklets, and brochures may also be displayed. Students will be asked to spend 1-2 hours at their poster to present details of their project to visitors outside of the planned presentation time.

In addition to the **Poster Session**, you are invited to attend the student awards event to receive an **ISDC 2013 recognition certificate**. You are also invited to attend the **Grand Prize winner's awards dinner**, where they will receive their award. Details will be posted on the ISDC 2013 Student Website. All teams are invited to attend the **Formal Oral Presentation Sessions** throughout the conference. If your team is one of the highest-ranking winners attending the ISDC, you will be asked to present your project during these Formal Oral Presentations to an audience of scientists, businessmen, students, teachers, and other ISDC attendees. Finally, you may look forward to the **International Student Forum**, various conference lectures, panels, and activities as posted on the 2013 ISDC website. Students not accompanied by their parents will need to provide permission and medical forms to NSS headquarters. See Student ISDC website (see below) for details.

The NSS is looking forward to seeing you in San Diego, California. Please direct all ISDC related questions to nss-students@nss.org. For announcements and updates please visit the student website at <https://sites.google.com/site/isdcforstudentcompetitions/>.

Sincerely,

Lynne Zielinski
